

# Innovate and Create with Technology

## Timetoast

Create interactive timelines that also convert the information into tables

## Purple Planet

Royalty free music for teachers and kids to use in projects. The music is organised into genres and is completely free.

## Literacy Beat

“Literacy Beat is a blog created by five friends who teach and research in the area of digital literacies – Dana Grisham, Jill Castek, Bernadette Dwyer, Bridget Dalton, and Thomas DeVere Wolsey. We are using this blog to share ideas, tools, resources and strategies for integrating technology, media, and Web 2.0 into teaching and learning. “

Try starting with [Vocab Vids: Developing vocabulary depth and breadth through live action video](#)

Thanks Doreen

If you would like an info session on any of these, or other, tools or sites, please send me an email.

[Previous issues here](#)

## ESL Kids

Worksheets, flashcards, games and songs for teachers with ESL students

Thanks Rosa

## Graphic Organisers

A series of interactive graphic organisers in PDF format.

Save them, type in them, print them

## Maths Games

K-6 maths games at Primary Games. Display these on your IWB, or set them up on the classroom computers for individual practice.

## Read write think

K-6 interactive reading resources that can be organised by grade and learning objective.

This site also includes some lesson ideas, professional development resources and ideas for parents.

## Beeclip

Similar to Glogster, Beeclip is a digital scrapbooking tool for combining images, video and text. This site allows management of classes and students

## Scribblemaps

Scribblemaps is powered by Google and offers a tool for writing and drawing over current maps. Add notes or directions to a world map or a map of a street

## iPad information

### Using iPads with students with ASD

### Fluency Timer

### One iPad in the Classroom

### iPads in the Classroom
